This plan covers only residential forced air and electric A/C and heat pump systems.

PEACE OF MIND – Regular periodic inspection, lubricating, adjusting and servicing of your heating and cooling system helps keep it running at peak, trouble-free efficiency and potential problems maybe spotted before they cause trouble.

LABOR – This agreement includes labor on normal maintenance parts installed during scheduled Spring or Fall RSA appointments. The "Service Call" charge will be waived for additional calls during the year. "On the job" time only will be invoiced.

PARTS – All repair parts will be charged to the customer at the time of service.

SERVICE – Our skilled experts know their business. Rely on them and our reputation to give you fast, dependable, and fair service.

Korrek Plumbing, Heating & Air Conditioning will endeavor to render prompt and efficient service hereunder, but it is expressly agreed that Korrek Plumbing, Heating & Air Conditioning shall in no event be liable for damage or loss caused by delay or any loss arising out of the performance of this agreement..

Korrek Plumbing Heating & Air Conditioning reserves the right to reject an agreement, if on inspection by serviceman, equipment is found to be in such condition that service will be unsatisfactory to either party.

It is mutually agreed that this agreement covers only electrically operated units inside the equipment and does not cover electrical or plumbing work; and work required because of negligence, misuse of equipment; because of fire, flood, act of God; shortage of electrical fuel or water supply; sabotage; damage caused by freezing; by dirty air filters, and that no other adjustment is made other than those authorized by Korrek Plumbing, Heating & Air Conditioning.
