

## PREVIDENT PRESCRIPTION TOOTHPASTE

- You are being given **prescription** fluoride toothpaste to use during your braces that will help to strengthen and protect your teeth.
- Use a pea size amount of the PreviDent **once daily, at night** in place of your regular toothpaste. The bottle should last you 5-6 months.
- Continue to use your regular toothpaste during the day.

125 S.W. Military Dr., San Antonio, TX 78221 – (210) 922-3483 – [www.SSCDC.org](http://www.SSCDC.org)
